

About Us

Breakthrough Leadership Consulting is a strategy and implementation consulting firm with more than a decade of experience focused on helping organizations turn vision into results. We specialize in management consulting, stakeholder engagement, and leadership development – supporting government agencies in strengthening internal capacity, improving communication, and aligning systems for impact. Our goal is to provide government agencies with the tools to develop strong leaders, effectively communicate priorities, build community buy-in for change initiatives, and implement well designed policies, programs, and strategies that have the desired impacts.

Core Competencies

Management Consulting

- Strategic Planning
- Vision and Goal Setting Retreats
- Organizational Needs Assessments
